The 'Maximum Tolerable Period of Disruption'

The following summarises the MTPD acceptable for each critical function:

CRITICAL FUNCTION	MTPD	NOTES
Examinations	1 day	Disruption to GCSE, A-Level and SATS would have a significant impact.
Teaching Staff	1 week	For Foundation classrooms, it is felt that loss of staff for 2 days would have a significant impact due to higher staffing levels required.
Support Staff	1 week	For Foundation Classroom, it is felt that loss of staff for 2 days would have a significant impact
Premises	1 week	Damage to premises and utilities or denial of access to premises will have a significant impact if lasting for more than 1 week
Catering	1 week	Loss of normal catering arrangements would mean the delivery of alternative cold meals. Catering contractor to have in place appropriate BCP.
Utilities	1 week	Loss of utilities, depending on circumstances may result in immediate school closure, depending on circumstances and seasonal factors (e.g summer or winter). Such closure will have a significant impact after 1 week similar to loss of use/denial of access to premises.

ICT Education and Administrative	2 weeks	
Records, Information and Coursework	1 month	Rather than being the MTPD the figure of 1 month if based upon the amount of data lost
Cleaning	1 week	For Nursery schools 2 days was considered as being the MTPD whilst for primary and specials it was 3 days. Cleaning contractor to have in place appropriate BCP

Below is a summary of the typical impacts that a loss or disruption may have:

Impact Area	Example Descriptor
Education	Impacts on education may include loss of large number of days of teaching, disruption to education, loss of coursework etc.
Child welfare/well-being	Impacts on a child may include physical impacts (eg hunger, cold etc), psychological impacts (eg loss of course work, having to move school), future prospects and educational abilities
Parents/Guardians	Impacts on parents/guardians may include loss of earnings (taking time off work), disruption to work, perception of establishment,
Statutory Compliance	Statutory compliance may include duty of care, in loco parentis, H&S legislation, duty to provide 190 days education, OFSTED, duty to provide free school meals etc
Reputation	Reputation may be the reputation to the establishment,

Staff	Impacts on staff can be financial, physical, psychological

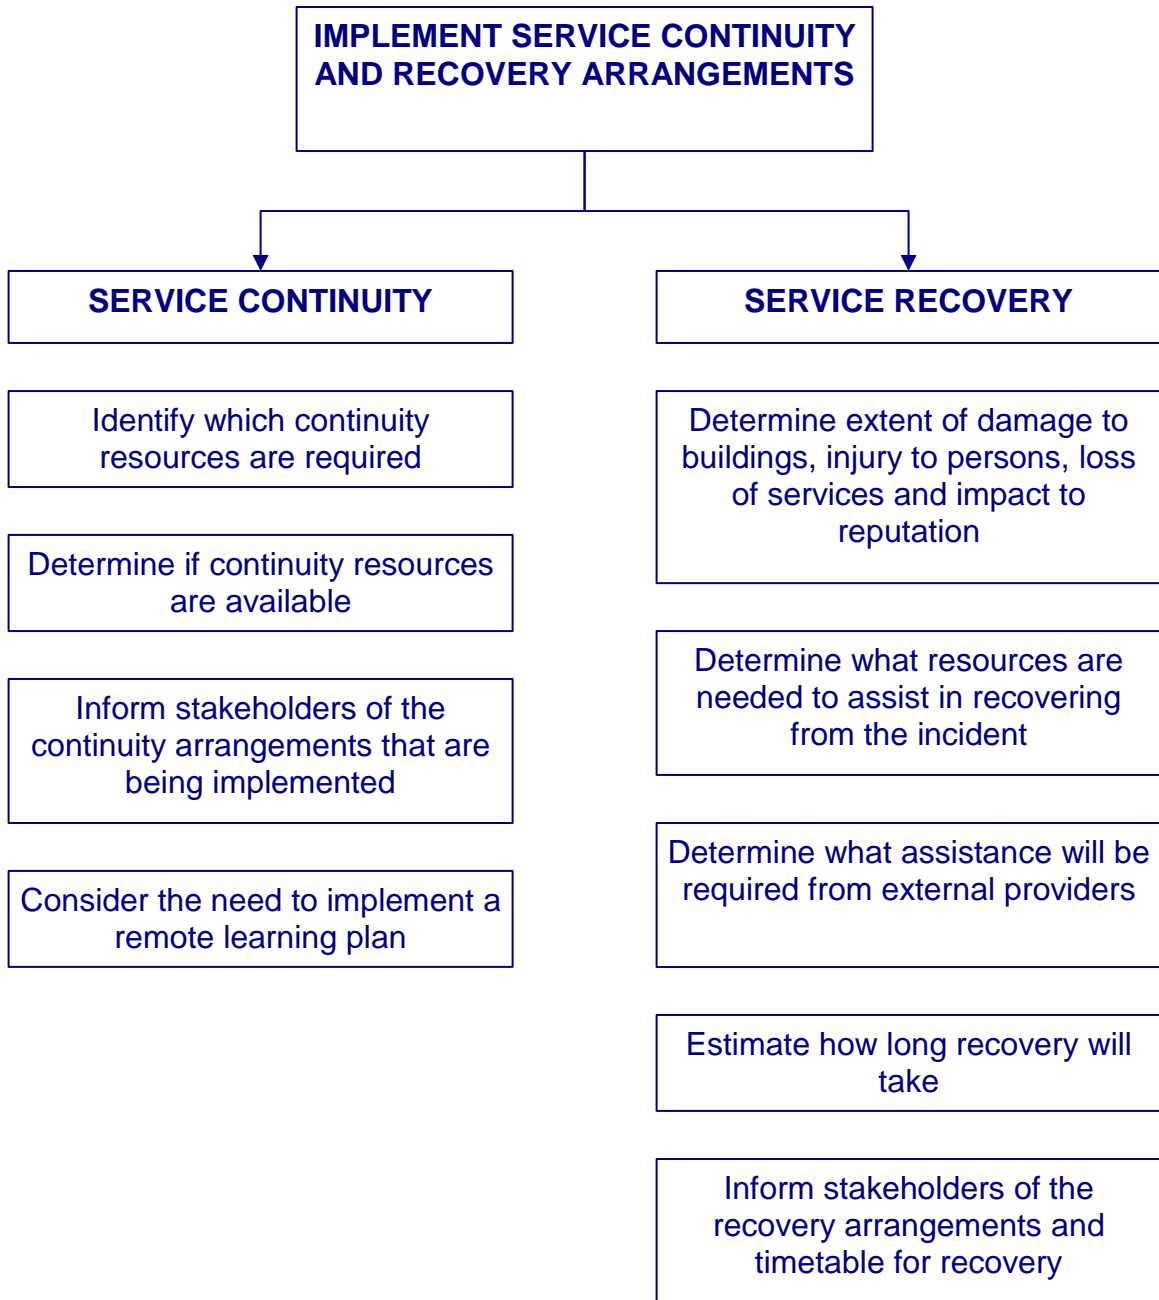

Below are some guidelines as to the impact levels

Category	Descriptor
Insignificant	There is not thought to be any detrimental impacts that would warrant the implementation of a BCP
Minor	There is thought to be some detrimental impact on the provision of service but not significant enough to warrant the implementation of BCP
Moderate	There is thought to be some impact on some areas. This may require the implementation of BCP if the impact is considered to affect critical areas such as education or child well-being

Significant	A significant impact in a number of areas that warrants the implementation of the BCP
Very Significant	The impact is severe with major detrimental impact on education, stakeholders and extended services. There are also major compliance issues and damage to the reputation of establishment, Children's Services and Council. Immediate implementation of BCP
