

Granby Nursery Medium Term Plan Overview 2025 – 2026 [website]

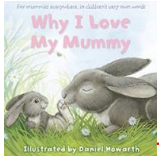

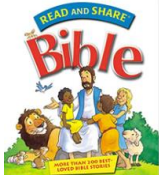

The Early Years curriculum at Granby is a progressive curriculum, focused upon the development of oral language skills through a wide variety of stimulating activities and a broad range of texts. The **long term-planning** is objective led, clearly outlining the expectations of each stage from Nursery through to the end of Reception, ensuring we have full coverage of the EYFS curriculum throughout the year. **The medium-term planning** shows how each area of the curriculum is enhanced through a rich and wide range of activities, allowing time to practice and embed the skills, knowledge and vocabulary. All areas of the curriculum, the characteristics of learning and children's interests are planned in more detail in our **short-term planning**.
